

Application form to become a member organization of IPAM

Organisations may apply for membership in order to contribute to IPAM's vision and objectives, through financial or in-kind support. To be considered as a member candidate, the organisation must **have at least one representative affiliated as an individual member** to at least one thematic committee. Member organisations must agree to abide by the membership charter (i.e. this application form).

Application is made via a formal, written request, signed by a legal representative of the organization. Upon application, the IPAM Steering Member organisations who wish to be considered for election must designate a representative to attend Steering Committee meetings.

Member organisations who wish to be considered for election must designate a representative to attend Steering Committee meetings.

Member organisations can be nominated by the Steering Committee to represent IPAM on specific events.

Member organisations may receive funds granted to IPAM, subject to the approval of the Steering Committee.
